

APRIL

NEWSLETTER

Earth Day

Earth Day is celebrated annually on April 22 to raise awareness of environmental issues, advocate for the protection of our planet, and encourage sustainable living. Established in 1970, it marks the start of the modern environmental movement and serves as a reminder to tackle issues like pollution, climate change, and habitat loss.

Upcoming EVENTS

4/11-Bigler Super Hero Carnival and Health Screening Day at Bigler (11-1:00PM)

4/20-Parent Meeting

4/21-Super Hero Carnival at CPI (4-6:00pm)

4/28-Super Hero Carnival at St. Marys (2:30-4:30)

Tips

Maximize outdoor time with preschoolers by keeping activities simple, engaging their senses, and prioritizing safety.

Key tips include nature scavenger hunts, "painting" with mud, setting up sensory stations, staying hydrated, using sunscreen, and dressing in layers. Embrace the mess, as digging and water play are prime learning opportunities.

IMPORTANT Information

Our Federal Review will take place April 14-16th. A team of individuals will meet with Senior Leaders, Directors, Board of Directors, Policy Council, visit classrooms, and attend socialiations during this time
